

Matthias Maiwald, MD

Associate Professor Matthias Maiwald, Singapore Assoc. Prof. Maiwald, MD, is a Senior Consultant and the Head of Microbiology at KK Women's and Children's Hospital in Singapore. He previously worked at the University of Heidelberg, Germany, then at Stanford University, USA, and then at Flinders University in Adelaide, Australia. His areas of interest include microbiological aspects relevant to women's and children's health, molecular detection and characterization of fastidious and emerging pathogens, and infection control with an emphasis on hand hygiene and skin antisepsis.
