

## Presentations

**Jonathan Fluxman, LRCP, MRCS.** Covid Lead for Doctors in Unite (DiU) will present “An Overview of COVID-19 and Long COVID – The UK Inquiry.”

**Paul Conway.** Chair of Policy & Global Affairs, AAKP, will present “Navigating COVID-19: How Kidney Patients Have Taken Responsibility to Protect Themselves.”

**Kaitlin Sundling, MD, PhD.** Univ. of Wisconsin School of Medicine & Public Health, Department of Pathology, will present “Impacts of COVID-19 in Pathology and Cancer Care.”

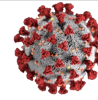

**Matthias Maiwald, MD.** Head of Microbiology at KK Women’s and Children’s Hospital, Singapore, will present “Irregular reemergence of pathogens after lifting of pandemic restrictions.”

**Jacqueline H Becker, PhD.** neuropsychologist & researcher, Icahn School of Medicine, Mount Sinai Hospital, will present “Overview of the Impacts of Long COVID on Behavioral Health.”

## Outcomes & Objectives

### Conference Outcomes:

- Describe ways to prevent spread of airborne pathogens.
- Discuss misinformation and how it has impacted the spread of disease & vaccinations.
- Identify the impacts of COVID-19 on healthcare safety for high risk patients.
- Recognize the pandemic’s impact regarding delayed diagnosis and missed preventative care.

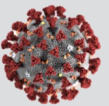

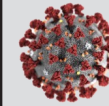

### Conference Objectives:

- To better diagnoses and recognize the multiple presentations of Long COVID, including behavioral health implications
- To be able discuss with patients the importance of preventing COVID-19 and other respiratory diseases.
- To combat patient misinformation regarding vaccines and the risks of COVID and Long COVID.
- To identify and reschedule patients who missed disease screenings during the pandemic.
- To discuss how COVID-19 is spread through the air by a continuum of particle sizes.
- To discuss with office staff other health care professionals strategies to prevent the spread of respiratory pathogens including use of N95 masks and improvement in indoor ventilation.
- To better discuss with patients the benefits and need for vaccinations.
- To mitigate the impact of safety risks created by respiratory pathogens on immunosuppressed patients.

18<sup>th</sup> Annual Continuing Education

## COVID-19: Endemic Impact & Responsibility

## Strategic Partners

Health Watch USA<sup>sm</sup>

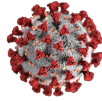

Southern Kentucky

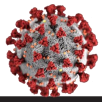

Sept. 1, 2024 Online Education  
<https://healthconference.org>

## Conference Agenda

1. An Overview of COVID-19 and Long COVID – The UK Inquiry
2. Navigating COVID-19: How Kidney Patients Have Taken Responsibility to Protect Themselves
3. Impacts of COVID-19 in Pathology and Cancer Care
4. Long COVID In Scotland
5. Overview of the Impacts of Long COVID on Behavioral Health.
6. Irregular reemergence of pathogens after lifting of pandemic restrictions
7. Source Control Key to Prevent Spread of Infectious Diseases
8. Vaccines, COVID-19 and Long COVID

## Health Watch USA<sup>sm</sup> Continuing Education

### Accreditation Agency: Southern Kentucky

**AHEC:** Physician/Physician Assistant/Nurse Practitioner/Nursing Home Administrator (AMA Category I, Approved 4 hrs.). In addition, Nursing (4.8 hrs), EMS, Respiratory Therapy, Occupational Therapy and Physical Therapy have been approved for 4 credits through the appropriate Kentucky Oversight board.

The Southern KY Area Health Education Center is accredited by the Kentucky Medical Association (KMA) to provide continuing medical education for physicians. The Southern KY Area Health Education Center designates this live activity for a maximum of 4 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Educational credits are provided at no charge by Health Watch USA<sup>sm</sup>.

Due to unforeseen circumstances, speakers, topics and times may change without notice.

Dr. Jonathan Fluxman, LRCP, MRCS	34:02:00
Paul Conway	17:57:00
Dr. Kaitlin Sundling, MD, PhD	32:27:00
Dr. Sally Witcher, PhD, MSc & Jane Ormerod	40:52:00
Dr. Jacqueline H Becker, PhD	28:35:00
Dr. Matthias Maiwald, MD	34:07:00
Dr. Kevin Kavanagh, MD, MS	39:27:00
Dr. Kevin Kavanagh, MD, MS	22:52:00

## Presentations

**Kevin Kavanagh, MD, MS.** Chairman of Health Watch USA<sup>SM</sup>, will present "An Overview of COVID-19 Source Control Key to Prevent Spread of Infectious Diseases." and "Vaccines, COVID-19 and

**Dr. Sally Witcher, PhD, MSc (Top)** director of the Inclusive New Normal, Scotland, & **Jane Ormerod (bottom)**, Chair of Long COVID Scotland, will present "Long COVID In Scotland."

KBN: This course will outline strategies and imperatives which need to be implemented in healthcare settings during the endemic phase of COVID-19. These include the protection of vulnerable patients, the combatting of misinformation, the understanding of how SARS-CoV-2 is spread, the promotion of improved indoor ventilation, the use of N95 masks and the encouragement of vaccinations.
